

Pioneer Club Individual Membership

The Pioneer Club would like to invite you to become a member for for the 2012-13 school year. Your participation and support is greatly appreciated in a time like this where it's even more critical.

The purpose of the Pioneer Club is to help fund MCC athletics (men's and women's basketball, baseball, and golf) through membership and other fundraisers throughout the year. With your membership, you will receive an official booster club polo, all-sports season pass, and invitation to all Pioneer Club meetings and events.

As the official support group for Miles Community College Intercollegiate Athletics, our mission is to create a network of support for the MCC Athletic Programs. This includes recognition that Miles Community College is committed to providing regional and national competitive athletic programs as an integral part of the educational mission of the college and that all programs sponsored shall be in compliance with the highest recognized standard of the institution and its athletic governing bodies.

In harmony with the college's stated mission The Pioneer Club shall be committed to the intellectual, cultural, and social development for all student athletes and will serve as a support group in providing educational opportunities for athletes and as a focal point to bring the student body, faculty and community together.

The Pioneer Club, formerly known as the Quarter Century Club has a long history with Miles Community College Athletics. Originally the Quarter Century Club was formed to help boost the athletic programs and still today the Pioneer Club has that as one of its priorities as part of its mission statement.

With the support of the community, the Pioneer Club provides scholarships and other funds to the sports of Miles Community College in addition to the monies that it receives from the school. The funding that we receive from the community helps to level the playing field with other schools in the area, particularly Wyoming and Nebraska.
